PROFESSIONAL EXPERIENCE

Allied Consulting Group, LLC. (ACG):

The mission of ACG is to insure organizational success through strategy development, strategy execution, and insuring the right members are on management teams.

Principal, Allied Consulting Group, LLC

Strategic Planning....

*We help organizations reach their full potential using the tools and techniques of “The Léargas SSP™”. While the output of the process is a **One-page strategic plan**, the results come from the process.*

Representative Clients

- \$1 Billion + Bank, with 2,000+ employees
- Value-added distributor that has enjoyed record profits & growth since working with Allied
- Home health care business growing at 75% per year
- Chemical manufacturing company preparing for leadership transition
- Top branded organization in luxury yachting business
- Small IT company, attempting to overcome the \$5 Million barrier.
- International Executive Recruiting firm

Interim CEO/COO Work...

Led a overhead cost reduction for a Midwest, non-profit to move from a net loss to net gain budget:

- *Consolidated and collapsed management structure to achieve net savings in nearly \$2 Million, in less than 90 days.*
- *Ongoing coaching of CEO and COO to insure sustainable change.*
- *Found employee committing significant fraud resulting in a four-year prison sentence of the employee*

Recently led a Milwaukee process controls company to reverse two years of significant losses and return to profitability:

- *Developed the first budget and facilitated first strategic planning process for organization.*
- *Negotiated re-purchase of outstanding shares of stock from minority shareholder.*

Led a financial turnaround for a health-care software company and restructured the company sales and management team:

- *Identified source of fraud and terminated parties involved, saving company over \$1MM.*
- *Developed sales and marketing plan for organization.*

Management Consulting

Managing a Board of Directors Improvement process for a national buying organization.

Assisted in product development and launch of new kitchen appliance.

Led the RFP Process to select a new bank with a \$10 Million credit facility, treasury and wealth management services.

Provide ongoing coaching and management consulting to assist in restructuring leadership team of a \$50 Million Manufacturer.

Turnaround Activities -- *Focused on privately held and mid-sized enterprises*

- For profit and non-profit
- Part-time or interim CEO/COO
- CEO coaching
- Team building
- Assist in bankruptcies and receiverships
- Evaluate and implement new enterprise and business systems
- Facilitate Strategic Planning
- Reorganization
- Work with banks and lenders

The Executive Committee (TEC), (Vistage International) Milwaukee, Wisconsin:

The mission of TEC is to increase the effectiveness and enhance the lives of CEO's. TEC was born in 1957 in Milwaukee, Wisconsin. Today, TEC Wisconsin and TEC Michigan boast a membership approaching 1000 CEOs and Presidents throughout these two states. Additionally, TEC International, called Vistage, has over 15,000 members throughout the world.

Group Chair, TEC 20 & TEC 6

- Form private Board of Advisors of Presidents, CEO's and Entrepreneurs
- Coach executives in "1 to 1" sessions
- Identify and select new members for TEC
- Select professional resources to meet CEO member's needs.
- Facilitate confidential, in-depth discussions among TEC members
- Leads the TEC "Special Interest Meeting" program
- Developed radio program called "The Executive Committee" on WISN Milwaukee

Website address: <http://www.vistage.com>

Raffel Comfort Sciences, LLC, Cedarburg, Wisconsin:

\$6MM organization that develops and sells components to the OEM furniture industry and consumer products in a variety of retail categories.

President, CEO, Managing Member

- Purchased business as a distressed entity with one partner
- Secured new China sourcing agreements
- Awarded two patents for consumer products
- Developed new product line and categories for retail channel
- Re-branded entire product line
- Outsourced all non-core business functions
- Built retail sales organization and manufacturers rep team
- Established new market for China manufactured Shiatsu Massage Chairs
- Implemented "Virtual Office" systems for accounting, CRM and other internal systems to allow for location independent employees and reps

Allied Computer Group, Inc., Milwaukee, Wisconsin:

Founded Allied Computer Group in 1983 as a one-person computer sales company. Allied grew to become one of the largest computer sales and service organizations in the Midwest with over 350 employees and \$55MM in revenue at its peak. Allied was a pioneer in providing professional IT services on a billable basis. Personally worked with many business executives developing effective IT strategies during the Y2K era.

Founder & Chairman

- Grew business from startup to \$55MM in 15 years
- Acquired franchise rights from Inacom, Inc. of Omaha, Nebraska
- Separated high-volume, low-margin distribution from higher margin professional services practice
- Developed the largest computer education business in Wisconsin
- Acquired, integrated and grew branch office in Appleton, Wisconsin
- Created unique hiring and recruiting system for IT professionals

The Computer Show with Ram and Rom:

“The Computer Show with Ram & Rom” was a nationally syndicated, call-in radio program aimed at home and business computer users that originated in Milwaukee, Wisconsin. Broadcasts were two hours on Saturday mornings. The Computer Show became the top-rated weekend program at WISN AM-1130. It was also the first Internet broadcast computer call-in program carried by Mark Cuban’s Broadcast.com network.
